

ITEM 5b

Matters arising from 5 June 2026 SRA Board meeting

1. Update Board members' register of interests.
2. Follow up with Board members who are unable to access the Project and Performance Power Bi report.
3. Circulate Annual Report draft before September Board meeting.
4. Schedule a working group to discuss flood risk impacts of new developments.
5. Schedule a Natural Flood Management discussion/workshop to align with Wessex Regional Flood and Coastal Committee session.
6. Undertake a One-year review of the Community Flood Action Fund (CFAF).
7. Environment Agency and Somerset Council to progress the business case and funding route for permanent pumps at Bathpool and share timescales with community.
8. Follow-ups on winter flooding and recovery work:
 - a. Environment Agency to confirm outcome of its bid to a national multi-million pound Flood Recovery Fund following the 2026 winter flooding.
 - b. Confirm status of Bathpool Section 19 report scheduled to be completed by 31 August.
 - c. Latest status on Somerset Levels and Moors 'Section 19' report.
